

TECH RECYCLING EVENT

TO SUPPORT DIGITAL EQUITY IN THE COMMUNITY

WHAT WE DO WITH YOUR STUFF

Reusable Devices

All data contained on the devices is electronically wiped. Devices that meet DANeNet's Laptop Refurbishment Program guidelines are refurbished for distribution to low-income households without computers.

Other devices are resold to raise funds for the Digital Equity Project.

Non-Reusable Devices

Components are sorted and separated to extract raw materials for recycling or safe disposal.

WE CAN TAKE

Computers, laptops, monitors, TVs, computer equipment, smart watches, cellphones, tablets

WE DO NOT TAKE

appliances, copiers, medical devices
